

BUILD UP SPLIT AIR CONDITIONER TRAINER

Model Number : GOTT-BSACT-P31

**DESCRIPTION**

The Build Up Split Air Conditioner Trainer has been designed for student to build up their own air conditioning system.

It is mounted in an enamel coated steel frame angle.

All the components which are used in are original air conditioning components by Industrial standard manufacturers.

The trainer includes of outdoor condensing unit 1 HP with condenser, indoor evaporator, tubing, filter/drier, temperature control, low and high pressure control and sight glass .

FEATURES

- Build up your own air conditioning system
- High quality industrially accepted component
- Robust and Durable and mobile design
- Detailed instruction & experiment manual
- Robust and Durable and mobile design

COMPONENTS

- Air Conditioner Unit (Indoor unit)
- Condenser Unit (Outdoor unit)
- Compressor Unit
- Sight Glass
- Filter Drier
- Capillary Tube
- H/L Pressure Switch
- Hot Gas Pressure Gauge Meter
- Liquid Pressure Gauge Meter
- Suction Pressure Gauge Meter
- Set of copper Tuber
- Set of bolts, screw and nuts, set of pipe fitting
- Electrical Cables, and pipe insulations
- Installation Frame

ACCESSORIES

- Refrigerant
- Experiment manual

EXPERIMENT TOPICS:

- Familiarization with the function of particular refrigeration system and how it's system components work.
- Read and understand technical drawing documentation of electrical diagram and refrigerant piping diagram
- Plan and execute assembly steps and processes for building Air Con system.
- Make pipe joints in accordance with a refrigerant piping system diagram
- Carry out electrical installation following the electrical circuit diagram
- Commission and check the refrigeration system after successful assembly
- Evacuate and charging refrigeration systems
- Plan, execute and evaluate maintenance processes for the particular system

Manuals :

- (1) All manuals are written in English
- (2) Model Answer
- (3) Teaching Manuals

General Terms:

- (1) Accessories will be provided where applicable.
- (2) Manuals & Training will be provided where applicable.
- (3) Designs & Specifications are subject to change without notice.
- (4) We reserve the right to discontinue the manufacturing of any product.

Warranty :

2 Years
